Show & Tell Night

Monday, February 15 at 7:00 pm via Zoom

Until our Speaker Series begins in March (see below for more details), join us for our annual [Show & Tell Night!](#) Do you have an interesting item of historical relevance that you'd like to present to the attendees? Previous participants have shown family bibles, posters, games, and more. The more local, the better!

Using your device's camera and microphone, each presenter will have a prescribed amount of time to show and describe the item, followed by a couple of minutes of questions from the attendees. Please [register for the event](#), and be sure to indicate if you will be showing anything. This informal event will be held online for the first time, so we are depending on your participation to make this a success! *If we do not have enough registrants who indicate they would like to show something, we may not be able to host the event, so start going through those closets and attics!*

Take A Tour Through Historic Middletown Village with this Film from 1964

The Middletown Township Historical Society is pleased to present a refreshed version of "Roadside Story: Middletown Village Along the King's Highway." This color film was created by the Middletown Camera Club for the town's Tercentenary celebration in 1964. The narrated tour takes you outside and inside some of the most interesting buildings in the Village, including the Franklin Academy, Hartshorne House, Marlpit Hall, Taylor-Butler House (Orchard Home), and more. It runs for nearly 25 minutes and is a treat for those wanting to see the interiors of these historic buildings. [Watch now](#) to experience it, and view how the area looked over 50 years ago.

The film played at local events through the 1970s, but was then largely unseen

until the Middletown Township Landmarks Commission had it transferred to DVD for the town's 350 celebration in 2014. MTHS has now digitally transferred it, reordered and edited some scenes, and added a revised narration that keeps to the spirit of the original. We are grateful to the Middletown Camera Club, Middletown Township Landmarks Commission, and all others who donated their time and knowledge that led to the creation and refreshing of this film.

Middletown Land Development Map Updates!

If you are curious about when/why/how your housing development or local park was constructed, take a look at our [interactive map](#)! Just click on a shaded area to read the history and see the images. The entries are color-coded so you can see when the various pieces of land were developed. Please note that the map is best viewed on computer or tablet.

Given Middletown's size, this map is a work in progress, so check back in the

future if you don't yet see an entry for the land you are interested in. Our goal is to fill the entire map. If you'd like to contribute any entries, [please let us know](#).

Annual Meeting & Election

Our Annual Meeting will take place online on March 15. We'll have a quick presentation about the society that will be followed by the first presentation of our 2021 Speaker Series.

This year, because we will not be able to meet in person, all balloting for our trustees will occur electronically or by mail. You will be able to vote electronically when you [join or renew online](#), or you can do so by mailing in the form that we will be sending to your home later this month (if you did not receive it yet, please let us know). This year's nominees are Peter VanNortwick and Raymond Veth. Both are current trustees and are longtime members.

Call for Volunteers!

MTHS is run by volunteers, and if you'd like to become more involved as a trustee, chairperson of a committee, or as a lending hand on anything else, please let us know. We are working on a few different projects and could always use help from those willing to dedicate some time and talent. [Contact us here](#).

Contribute to Our Archive!

Our Society has a collection of items and documents related the history of Middletown and the surrounding area. Do you have anything that you'd like to add? Please don't let a treasure be forgotten or thrown away! [Contact us](#) and let us know what you would like to donate.

Trivia Time

This Month's Question:

What in Middletown is on the National Register of Historic Places, and happens to be underwater? For extra credit and in recognition of Super Bowl month, for whom is Lombardi Court named, where in Middletown is he interred, and where in the region did he live?

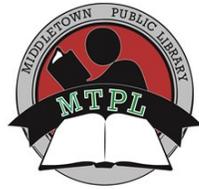

Answer will be supplied in next month's newsletter!

Answer to Last Month's Question:

William P. Thompson, who bought Brookdale Farm in 1893, rose to the rank of colonel with the Ninth Virginia Cavalry. Helen Hay Whitney

bequeathed Greentree Farm to her daughter Joan Whitney Payson who later owned the New York Mets. For more, read Randall Gabrielan's forthcoming book, *Lost Monmouth*.
